CONSTITUTION

1. INTRODUCTION

Bredfield Village Hall is a Registered Charity (304714), run and maintained by Trustees, for the benefit of the residents of Bredfield and its environs. Its status arises from and is defined by a Trust Deed dated 5 April 1949 in which William Kenneth Richardson conveyed a four acre field to the original two Trustees. The Charity is considered as covering both the activities of, within, and on behalf of Bredfield Village Hall and the land comprising the Trust Premises described in the Trust Deed.

The Trust Deed is the Governing Document and sets out the administration and management provisions for the Charity, which are summarised below. The original deed will be stored securely within the Village Hall.

2. OBJECT OF THE CHARITY

The Charity is to maintain and provide a Hall and associated Playing Field for the use of the inhabitants of the Parish and its immediate vicinity without distinction of political, religious or other opinions etc., to advance education and provide facilities in the interest of social welfare for recreational and leisure time activities with the object of improving the conditions of life for the said inhabitants.

3. COMMITTEE OF MANAGEMENT

The Charity is to be managed and administered by a Committee of Management, to act as the Charity Trustees within the meaning of Section 46 of the Charities Act 1960.

The Committee will consist of fourteen members (exclusive of members who may be co-opted). These will be four elected members and ten Appointed or Representative Members representing village organisations.

In addition the Committee may co-opt not more than four members to represent interests other than the organisations.

If any organisation ceases to exist or fails to appoint a representative before the Annual General Meeting each year, then the Annual General Meeting shall decide in what way the vacancy shall be filled.

In the event of any organisation being formed with aims that are not inconsistent with the aims of the charity, they may be allowed to appoint a representative following a resolution of the Committee passed at a meeting at which two-thirds vote in favour.

Any member who is adjudged bankrupt or makes a composition or arrangement with his/her creditors or is incapacitated from acting or communicates in writing to the Committee a wish to resign shall thereupon cease to be a member.

All members shall retire from office at the next Annual General Meeting after they come into office but may be re-elected or re-appointed at the same meeting.

Casual vacancies in the membership do not invalidate the proceedings of the committee.

Members are to sign a Declaration of Acceptance of the Codes and Practices and Responsibilities of being a Trustee of a Charity on being appointed.

4. ANNUAL GENERAL MEETING

There is to be an Annual General Meeting in the month of April or as soon as practicable thereafter. Public notice shall be given at least 7 days before the date of the meeting, and should ideally be 14 days. All inhabitants of the parish over the age of 18 are entitled to attend and vote at the AGM.

All members of the Committee shall retire at the AGM but are eligible for re-election. Members present shall elect a new Chair immediately. Chair and Vice-Chair are always eligible for re-election.

The standing Chair shall preside over the AGM until the election of the new committee.

The accounts for the charity for the preceding year are to be presented at the AGM.

5. MEETINGS OF THE COMMITTEE

In addition to the AGM the Committee is to hold at least one Ordinary Meeting per year. Notice shall be given at least 7 days before the date of the meeting, but should ideally be 14 days.

A Special or Extraordinary Meeting to discuss something important or unusual, may be summoned at any time by the Chair or by any 2 members with 7 days clear notice being given to all other members of the matters to be discussed.

A quorum is to be not less than one-third of total members.

In the absence of both Chair and Vice-Chair, the members present may choose one of their number to be Acting Chair for the duration of the meeting.

Decisions are determined by a majority of votes cast by members present at a meeting. The Chair shall hold a second or casting vote if necessary.

A minute book is to be kept.

6. RULES

The Committee is empowered to:

- Set the Terms and Conditions for the use of the Hall and Playing Field and set charges for such use.
- Appoint a Booking Secretary, Treasurer and any other unpaid officers as considered necessary from the members.
- The Committee may accept donations for the direct support of the general purposes of the charity.
- The Committee shall have powers to appoint sub-committees, which may include persons other than members of the committee.

The Committee may delegate any of its functions to such sub-committees. A sub-Committee may co-opt not more than one sixth of its number from non-Committee members. Sub-Committees remain accountable to the full Committee.

7. INSURANCE

The Committee is required to insure the building, furniture and effects to their full value against fire and the usual risks and also maintain public liability insurance to cover the Committee against any claims of loss or injury by those using the Hall. Hirers of the Hall should be advised that they may need additional cover for their activities.

The insurance is currently with Zurich Insurance Group. The Treasurer will review competitive quotes at the annual renewal. Any changes to the insurer should be approved by the Committee.

8. INCOME

The income of the charity is to be paid into a Trust Account and the monies applied as the Committee decide, on insuring, maintaining and repairing the property, furniture and effects and any other outgoings for the upkeep and improvement of the Trust Premises as required in furthering the object of the charity.

9. DISPOSAL

If the Committee by a majority decides that on the grounds of expense or otherwise it is necessary to discontinue the use of the Trust Premises in whole or part, it shall call a public meeting of the inhabitants of the Parish of Bredfield, giving not less than 14 days' notice in a public place, electronically and by notices placed in local newspapers. If such a resolution is confirmed by a majority of such inhabitants present at the meeting the Committee may with the consent of the Charity Commissioners, let or sell the property or any part thereof. All monies arising from such letting or sale (after satisfaction of any liabilities) shall be used either in the purchase of other premises or towards other charitable purposes or objects for the benefit of the inhabitants of the parish of Bredfield.

PART TWO

GOVERNANCE

10. INTRODUCTION

The Committee is to operate within the provisions of the Trust Deed and where this appears to be archaic or lacking in guidance for the contemporary situation, within the spirit of the original Charity Commission Scheme and in accordance with the Charities Act 2006. If there is any perceived conflict between the Trust Deed and the Constitution, the Trust Deed shall have precedence. Where there is sufficient variance to warrant it, the Committee may apply to the Charity Commission for amendment to the existing Trust Deed.

11. THE OBJECT OF THE CHARITY and APPLICATION OF INCOME

The Committee considers that it has a duty not only to maintain the Hall and associated Playing Field, but also to improve the facility to better meet contemporary needs, with due attention to environmental issues.

12. TITLE TO THE HALL (Vesting Order)

By a Vesting Order of 29 July 1949, the title to the property and land is held in the name of the Official Custodian for Charities on behalf of the Charity. The property is managed by the Committee on behalf of the Official Custodian for Charities. Under the provisions of Section 22(2) of the Charities Act 1993 the Committee may carry out a transaction as if the property were held in the names of individual Committee Members

13. THE MANAGEMENT COMMITTEE

The Committee shall consist of elected and appointed members. Elected members are those people who come forward in their own right to serve as committee members. They are selected by the Annual General Meeting, usually by a show of hands. Appointed or Representative members are to be from organizations within the Parish of Bredfield. If the committee decides that certain people may be useful to the running of the charity, because they have a special skill or experience, then they can be co-opted to join the committee.

The Committee aspires to elect officers to the key positions:

- Chair
- Secretary
- Treasurer

A Vice-Chair may be elected if thought necessary, but is not to be regarded as mandatory.

The Committee also aspires to identify elected or representative members who will lead on issues as the following titles imply:

- Bookings
- Fundraising
- Maintenance
- Website Administrator

While the Trust Deed lists defunct organisations, the Committee considers the following organisations are currently relevant and entitled to provide members:

Bowls Club

Parish Council

Parochial Church Council

Play Area

Tennis Courts

Village Shop

Where there are vacancies caused by there being insufficient eligible organisations to complete the number of Representatives specified in the Trust Deed, then under clause 8 of the Deed, the Annual General Meeting shall decide in what way the vacancy shall be filled.

The Committee accepts that where those organisations are already represented by an Elected Member, the organisation need not appoint a Representative.

Statutory powers provided to the Committee by the Charity Act 1993, as amended by the 2006 Charity Act, enable the Committee to amend the constitution of the Committee by a proposal to, and with the agreement of, an AGM. The record of such an AGM would need to be sent to the Charity Commission so that the Register of Charities may be amended. It should be noted that there must be a good reason to initiate such a procedure, as it represents a major undertaking and caution should be exercised.

The Constitution and Governance Document should be seen as a dynamic document, and is to be regularly reviewed to ensure that it continues to be relevant. Any suggested changes or amendments should be approved at a full Committee meeting.

14. BREDFIELD TOWNLAND CHARITIES

The Village Hall Committee should seek to designate two members to serve as Trustees on Bredfield Townland Charities. These nominations should be agreed at the Annual General Meeting each year.

PART 3

OPERATING PROCEDURES

15. INTRODUCTION

The Committee of Trustees is committed to operating and maintaining Bredfield Village Hall and Playing Field in accordance with the law and the requirements of the Charity Commission for the benefit of the residents of Bredfield and its environs.

16. COMMUNAL RESPONSIBILITY

Bredfield Village Hall (together with its associated parking and playing areas) is a community resource. As such, Trustees should encourage Users to strive at all times to take good care of the facilities and always leave them in a state of readiness for the next Users. Procedures exist for making comments and reporting problems.

17. MANAGEMENT COMMITTEE

The duties of the Management Committee are set down in Annex B and its appendices.

18. FINANCE

The Committee has established the following enduring principles:

Letting income should be set at a level to cover all overheads and should be adjusted as part of a policy to always maintain a balanced budget plus a surplus for the reserve fund

Banking of hiring deposits: Deposits should be banked before the event as security against failure to clear.

Charity Commission: The Secretary is to be the principal point of contact and has a duty to update the Charity Commission on all matters. The Secretary will possess a log-in and password to complete certain updates on-line. The log-in and password are related to the Charity and not the Secretary, and may therefore be used by other officers of the Trust.

Bank accounts: The Village Hall operates three accounts – a current account and a business savers account with Barclays Bank and an investment account with National Savings and Investment. The two Barclays accounts are registered for management Online. All accounts are “2 signatory” accounts whether for issuing a cheque, for moving funds between accounts or authorising payments online. There should be three authorised signatories: Chair, Treasurer and Secretary. Any changes to these arrangements should be approved by the Committee.

Reserve funds: The level of reserves should be reviewed by the Committee from time to time. At the time of this version it has been agreed that a reserve fund of £5,000 be maintained to cover unforeseen emergencies and requirements.

In year accounting: The accounts are to be kept in accordance with Charity Commission requirements. The accounts are to identify income and expenditure amounts in sufficient detail for the Trust to assess the financial situation as and when required. The end of year accounts shall be subjected to an independent examination, as specified by the Charity Commission for our level of income and expenditure. There is no requirement for an independent audit. The financial year runs from 1 April to 31 March.

Utilities: It is to be noted that the VAT rate for not-for-profit buildings such as the Village Hall is set at a non-standard rate. Should energy suppliers be changed, they must be advised of this fact.

Electricity: is currently supplied by E.ON. A Direct Debit from the Current Account is established.

Water: is currently supplied by Anglian Water. A Direct Debit from the Current Account is established.

Heating Oil: the oil tank has a capacity of 1225 litres of heating oil and is provided with a remote monitor to indicate levels. The Lead Maintenance Team member has the responsibility of monitoring the level of oil and liaising with the Treasurer for ordering when considered necessary.

Rates: The Village Hall benefits from Mandatory 80% Relief on Non Domestic Rates and is required by Suffolk Coastal District Council to make an annual application for renewal of the additional 20% top up in order to provide full relief from paying rates.

Spending Authority: The following spending limits currently apply:

Maintenance Team: Are authorised to spend up to £100 without reference to other Committee members.

Treasurer (see *DUTIES OF THE TREASURER* below): May settle utility bills and other standard service bills (e.g. insurance premiums, licensing fees) necessary for administration regardless of amount.

May agree and settle bills for maintenance and repair up to £500, provided such funds are available in the current account without reference to other officers.

May, with the authorisation of another relevant officer (Chair or Vice-Chair or Secretary) agree and settle bills for administration, repair and maintenance up to £1,000. Items over the value of £1,000 are to be authorised by the full Committee, although in an emergency the Chair and Treasurer may authorise spending over £1,000.

Management Committee: The Committee will discuss and agree expenditure in excess of those above whilst recognising that justifiable and expedient actions will sometimes be necessary. The Committee may give purchasing authority to a particular Committee Member or Members to act on its behalf for a specific purpose.

19. GIFT AID

The Village Hall is registered with HMRC for gift aid which allows claims to be made on donations to the Hall, this adds approximately 25% to the value of any gift made. The Treasurer is the Authorized Official for this.

20. HIRE OF THE HALL

The Terms of Hire are set down at Annex E. If accepted and approved an application for the hire of the Hall or Playing Field the relevant documents amount to a contract between the Hirer and the Committee. The mechanics of hiring, with Terms and Conditions are set down in Annex-E.

21. MAINTENANCE

All routine maintenance is to be monitored by the Committee members responsible and any urgent issues raised with the Chair. The Chair and responsible committee members are to establish a maintenance plan for the forthcoming year in conjunction with the Committee. A fault / comments book is to be kept in the Hall for Users to report problems.

22. DEVELOPMENT

The Chair is to direct an annual development review, and through the Committee establish a plan to allow the Hall and Playing Field to continue to offer updated facilities and comply with legislation.

23. LICENSING

Alcohol: The Hall possesses a Premises Licence PREM 2120 that covers the sale or supply of alcohol. The Premises Licence is held collectively by the Trustees, requiring one of them to be present in the Hall and to act as the licensee if alcohol is to be sold under the licence. The Booking Secretary will establish whether a hirer intends to sell or supply alcohol during an event and if so, advise of the necessity of applying for a Temporary Event Notice (TEN). A single premises, such as the Hall, may have a maximum of 12 TEN events in a twelve month period.

Performing Right Society and Phonographic Performance: The Committee purchases the combined annual licence from the Performing Right Society (PRS) and a Phonographic Performance Licence (PPL) which allows the playing of incidental music in the Hall.

Public Entertainment: The Hall is licensed for a range of public entertainment under the Premises Licence under the Licensing Act 2003 which allows the premises to be used for such purposes until 12.00 midnight on Monday to Friday, until 11.45 p.m. on a Saturday and 10.30 on a Sunday.

Gaming Act 2005 Registration: The Chair shall act as Promoter for registration for a Small Scale Lottery with the Secretary and Treasurer certifying returns to the Local Authority.

24. PROTECTION OF YOUNG AND VULNERABLE PEOPLE

The Management Committee is fully committed to safeguarding all individuals using or assisting with running the Hall. Hirers must be made aware when booking of their responsibilities for a duty of care of children, young people and vulnerable adults attending events in the Hall and must comply with current legislation relating to protection. Hirers must further ensure that full and appropriate supervision of all children's activities and that any supervisors are properly accredited.

25. FIRE

The Committee is committed to operating and maintaining Bredfield Village Hall in accordance with the Regulatory Reform (Fire Safety) Order 2005. A plan showing the location of fire appliances and exits is to be displayed in the Hall. For Fire Safety Policy and Assessment see Appendix F.

26. HEALTH AND SAFETY

The Committee of Trustees recognises its responsibility in law, to maintain a safe environment for Users and Hirers of the Hall. It will review its Risk Assessment and the provisions arising annually.

The Committee of Trustees cannot be fully responsible for the Health and Safety aspects of activities that are not under its control. However it must do all it can to alert Users and Hirers of the Hall to recognise their own responsibilities to Health and Safety in respect of their activities.

An accident book is to be maintained for the recording of any incidents or accidents in the Hall, the Secretary having the responsibility for checking this regularly.

For the Health and Safety Policy and Risk Assessment see Appendix G.

27. STORAGE

When not in use chairs are to be stored on the stage area whilst tables are to be placed in the bar. A maximum of ten tables may be left in the main body of the Hall, but are to be stacked equally and neatly in the corners adjacent to the storeroom and entrance. A maximum of twenty-one chairs

(three stacks of seven) may be positioned between the storeroom and kitchen. A plan should be provided for the benefit of Users of the Hall, showing stowage areas.

28. PROPERTY LOST/FOUND

Any property found on the premises should be placed in the Foyer or Cloakroom for subsequent retrieval. Valuables should be handed to one of the Trustees, who may give a receipt if required.

29. CARAVANS

Organised caravan events are allowed on the Playing Field, but to minimise the disturbance to the residents as far as possible, caravans must be pitched around the north and east sides of the field and not pitched behind the houses at the southwest edge of the field and beside the tennis courts. Generators will not be allowed. Adequate pathways for walkers must be allowed so as not to block the public footpath which runs along the full length of the southern edge of the Playing Field - to the north of the Tennis courts and the South (rear) of the Bowls Club building. This provision will also provide access for the members of the Tennis Club.

30. ASSET REGISTER

This is a list of all assets owned by the Charity, including property and equipment and is to be maintained by the Secretary. This not only records what the Charity owns, but can be used in support of any insurance claim in the event of theft, loss or damage. An Inventory Check should be carried out on an annual basis to confirm the status of each item.

31. DATA RETENTION POLICY

To meet requirements under the Data Protection Act 1998, Freedom of Information Act 2000, EU General Data Protection Regulation 2016 and Human Rights legislation, it is necessary to have a policy on the management of records. Records shall be kept secure by the use of a firewall on personal computers and, where appropriate, with passwords on files. Records can be requested by an individual and so should contain only relevant information. Personal information should not be published without consent. Some records need to be retained for a specified period to satisfy legal, financial and other requirements. The following guidelines should be applied and records deleted when redundant or at the end of their retention period:

<i>Note: routine/trivial emails may be destroyed</i>		

32. EMPLOYEES

As a guiding principle, the Village Hall prefers to avoid the direct employment of staff.

33. CONTRACTING OUT

The committee may, at its discretion, contract any part of its operational activities to third parties. Any such contractor who is self-employed must satisfy the committee that he/she is so registered with HMRC and therefore absolves the Hall of any Tax liability in this respect. He/she must have his/her own public liability insurance if not covered by the Hall's liability insurance.

34. CLEANER

A cleaner should be employed, but need not be a member of the Committee. They should be self-employed, to ensure that the Hall will not be responsible for the individual's tax or NI liability. The Committee should be aware that if the individual is not self-employed, the Hall will be responsible.

Before engaging a cleaner, the Village Hall Management Committee should work through the following steps:

1. Confirm with the individual concerned that they understand that they will be regarded as being self-employed by the Management Committee.
2. Advise the individual that the Committee may require evidence to show that they satisfy the criteria for a self-employed person and that they are registered with HMRC as self-employed.
3. Agree with the individual on their payment terms, i.e. weekly, monthly, an annual amount and how the individual expects this to be paid.
4. Ask the individual what equipment and materials they will supply to do the job and what they may charge extra for. If the individual is truly self-employed they will provide some of their own equipment and materials.

It is not the role of the Hall to issue a contract but they should set out a list of the work they expect to be done (see Annex C-5). There is no formal written contract, but the Hall should write to the individual agreeing the terms of business and include this list. That letter will be the contract for service.

The pay of the cleaner should be reviewed every year, and should be above the National Living Wage.

BREDFIELD VILLAGE HALL GUIDELINES FOR ORGANISERS OF CARAVAN EVENTS

Location of caravans

To minimise disturbance to the residents, as far as possible, please pitch caravans around the north and east sides of the field and avoid pitching them behind the houses at the southwest edge of the field and beside the tennis courts. Compliance with legislation regarding caravan spacing etc. is your responsibility. No generators, please. Please leave an adequate pathway for walkers across the field so as not to block the public footpath, which runs along the full length of the Southern edge of the Playing Field - to the north of the Tennis courts and the South (rear) of the Bowls Club building. This provision will also provide access for the members of the (private) Tennis Club.

Children's play area.

Children are very welcome to use the play equipment but we have had instances in the past of children not associated with caravaners being told incorrectly that the play area is closed to them during caravan events – this will not be the case. Given the proximity to local resident's properties a moderation in noise level would be appreciated.

Tennis courts

Details on the use of the tennis courts are on the notice board by the courts. Use of the tennis courts is not included in your booking fee.

Dogs

Dogs are welcome but please ensure you clear up after them, including when walking on the path down to the stream and beyond. There is a red dog-bin on the field behind the shop. Please do not leave dogs unattended or allow them to cause a noise-nuisance.

Telephone

There is no phone connected in the Village Hall and there is not a public phone in the village. In an emergency if a mobile phone is not available on site village residents opposite the hall, or the Village Shop when open, can be approached to call for help.

Wet ground

If the ground is wet, please minimise damage by leaving cars in the Village Hall car park unless it is absolutely necessary for them to be on the field. The area behind the Village Hall, nearest the vehicle access is the most prone to being soft. In the case of significant rainfall leading up to the event then a site visit is advised, also discussion should be held with the Booking Secretary with regard to possible cancellation.

Firework displays

Be aware that fireworks cannot be legally set off between the hours of 11pm and 7 am. We prefer that none be used after 10pm.

Waste

The trade waste wheelie-bin can be used to dispose of hirer's normal waste, however please take away as much bulky, dry waste as possible. Note: The wheelie bin nearest the kitchen door is for recyclable materials only, primarily for Village Shop's cardboard. There are also specific re-cycling bins near the hedge for glass. When disposing of Elsan waste it is suggested that the manhole situated near to the "outside" toilets is used – please ensure that adequate safety precautions are taken when the cover is removed.

BREDFIELD VILLAGE HALL FOOD HYGIENE POLICY

Bredfield Village Hall does not operate as a catering establishment. It does however have a kitchen for the use of Hirers.

Located: Kitchen

Best for: organic solids, liquids such as grease, fats, oil, paint, petrol, etc but not on chip or fat pan fires, also safe on live electrical equipment.

Carbon Dioxide (CO₂) extinguishers: Red with Black panel.

Located: Stage

Fire blanket

Located: Kitchen

Best for: Fires involving both solids and liquids. Particularly good for small clothing fires and for chip and fat pan fires.

How to use: Place carefully over the fire. Keep your hands shielded from the fire.
